UltraMarine Warranty

The UltraMarine PVC Range has a 2 year Limited Warranty to withstand normal exposure to the sun and atmospheric conditions.

This Warranty covers

- resistance to UV
- resistance to Light
- resistance to putrefaction
- resistance to bacteria

This Warranty excludes:

- the normal wear of the fabric
- damages caused by incorrect cleaning or contact with chemicals
- inappropriate usage
- costs for the exchange and transport of the goods or any other costs such as indemnity for damages
- staining resulting from mildew growth on adjacent boat components, bleeding from adjacent boat components or contact with suntan lotion.
- damage caused by improper installation or failure of the seat and/or trim parts.

The goods will be exchanged in the case of a justified claim. This claim must be accompanied by proof of purchase.

For use in outdoor applications, it is recommended cushions have quick dry foam and breathable mesh bases for excess water drainage.
